(2023-24)

### Circular

Date: 01/09/2023

#### Remedial classes for slow learners

Slow learners will be identified by the student performance in Sessional exam-I, students having less than or equal to 13 marks considered as slow learners. Special classes will be conducted before/after college hours for these students to revise the topics of ongoing semester subjects. Counselors also will maintain special attention on these students. Remedial classes schedules will be announced by departments and attendance of these students for the class work will be monitored.

### Remedial classes for slow learners

Slow learners will be identified by the student performance in Sessional exam-I, students having less than or 65 % marks considered as slow learners. Special classes will be conducted after college hours for these students to revise the topics of ongoing semester subjects. Counselors also will maintain special attention on these students. Remedial classes schedules will be announced by departments and attendance of these students for the class work will be monitored.

### Remedial classes for slow learners

All the faculty members are informed to identify slow learners of their respected subjects by the students having less than or equal to 13 marks in Sessional exam-I considered as slow learners. Special classes will be conducted after college hours for these students to revise the topics of ongoing semester subjects. Remedial classes schedules will be announced by department and maintain the attendance of these students.
